

MONTHLY PA ANNOUNCEMENTS - TEAMWORK

The following is an example you can use or you can make up your own. It's very important to do this at least once a month and it has the greatest impact if delivered by the Principal or Vice Principal.

FOR VIDEO 1

"Okay, everyone join me in a cheer! Give me a "T", give me an "E", give me an "A", give me an "M", what's that spell? **Team!** What's that spell? **Team!** What's that spell? **Team!**

Good job everybody... this month's superpower is **TEAMWORK**, which is working together and co-operating with each other to get something done... in fact, you just did that by joining in on the T.E.A.M. cheer!

During this month's superpower video, Quazar taught us that there are four secrets to practicing **TEAMWORK**. Do you remember the four secrets? Listen closely: they are listening to what others had to say, being open to other's ideas, working together and of course, having fun! If the student in the video had tried to untie his jump rope alone, it would have taken all day. But with the power of **TEAMWORK** and the help of his friends, it was done quickly and meant that they could get back to having fun together. **TEAMWORK** is not about ME but about WE.

Remember – when you see someone treating others like they are team members and when you see people working together in groups of two or more, that's **TEAMWORK!** Don't forget to vote for them, or for the person who's working really hard to keep the group together, that's worth a vote too.

Don't forget the golden rules of nomination... the "do-be's" and the "don't-be's" that are listed on the power in your classroom.

Let's work together this month to make our whole school one big team, because as Quazar says, that's the power of **TEAMWORK!**

FOR VIDEO 2

"Okay, everyone join me in a cheer! Give me a "T", give me an "E", give me an "A", give me an "M", what's that spell? **Team!** What's that spell? **Team!** What's that spell? **Team!**

Good job, everybody...this month's superpower is **TEAMWORK**, which is working together and co-operating with each other to get something done... in fact, you just did that by joining in on the T.E.A.M. cheer!

During this month's superpower video, Quazar had to go to the Planet Of the Leafs where some kids and their parents were trying to build a playground. They were very disorganized, they didn't have a plan, they didn't share their tools and supplies and they weren't helping each other at all...they just "did their own thing".

Quazar got there just in time to help them work out a plan and a design. Everyone was put into teams to work on different sections and they all shared their tools and supplies. When each team had finished their part, they formed one big team and put the whole thing together. The playground looked amazing and everyone was happy and proud of what they'd done together as a team.

Teamwork means more than one person. It's at least two people working together to do something. When you see a group like this, don't forget to vote for them, or for the person who's working really hard to keep the group together, that's worth a vote too.

Remember to follow the golden rules of nomination...the "do-be's and don't-be's" that are listed on the poster in your classroom.

As Quazar says, "it looks like my work here is done, Catchya later."
