

MONTHLY PA ANNOUNCEMENTS - KINDNESS

The following is an example you can use or you can make up your own. It's very important to do this at least once a month and it has the greatest impact if delivered by the Principal or Vice Principal.

FOR VIDEO 1

Just a reminder that **KINDNESS** is this month's superpowers. I'm pretty sure you all know how to be kind and what it means to care, so this is the month to show everyone that you do.

In this month's video, Quazar reminded us that **KINDNESS** means being polite, friendly and helpful. How do we show this? By doing good deeds for a person, an animal or the environment. The video showed us a student picking up trash on the playground and helping push their friend on the swings. These are some good deeds that show **KINDNESS!** Helping our friends and taking time to do good things for animals and the environment are great ways to show **KINDNESS**.

When we all use our superpowers to do kind things and show others that we care, we can make our classrooms and our school a more friendly and welcoming community!

So remember that even just by saying something nice or giving someone a smile, you can make their day. When you see anyone being kind and showing they care, make sure you remember to vote for them... that will show that you care and that you recognize kindness and caring when you see them.

And don't forget to follow the golden rules of nomination – the “do-be's” and “don't-be's” that are listed on the poster in your classroom.

KINDNESS means that everyone benefits and feels good and as Quazar says, that's the power of **KINDNESS!**

FOR VIDEO 2

“Just a reminder, that **KINDNESS** is this month's superpowers. I'm pretty sure you all know how to be kind and what it means to care, so this is the month to show everyone that you do.

During this month's superpower video, Quazar travelled to the planet Tropicania which is normally a very warm place, but it was suffering from “global colding” because no one cared about anyone else, and to make things worse, they were all being mean to each other all the time.

Quazar arrived in time to spread some kind words (which we call compliments) and to help a person in need. The person who was helped then helped and complimented a few other people, and those people were kind and caring to another group of people, and so on, and so on, until the sky went from chilly blue to a rainbow of colours and the whole planet warmed up again.

So, girls and boys, remember that even just by saying something nice or giving someone a smile, you can make their day. When you see anyone being kind and showing they care, make sure you remember to vote for them...that will show that you care and that **you** recognize kindness & caring when you see them.

And don't forget to follow the golden rules of nomination - the “do-be's” and don't-be's” that are listed on the poster in your classroom.

As Quazar says, “it looks like my work here is done, Catchya later.”
