### **ANNOUNCING: QUAZAR'S RESPECTFUL CHAMPIONS**

Here's the official list of Quazar's Respectful Superpower Champions; these students led the way and got the most nominations:

*INSERT NAMES/ROOM?/GRADE HERE*

These students are now part of the official Respectful Team who will plan the next All-Inclusive Recess... lots of games and activities where everyone plays; no one is left out.

Also, a SUPER DUPER thanks to those kids who did the nominating, and as Quazar says: KEEP UP THE GREAT WORK!!!

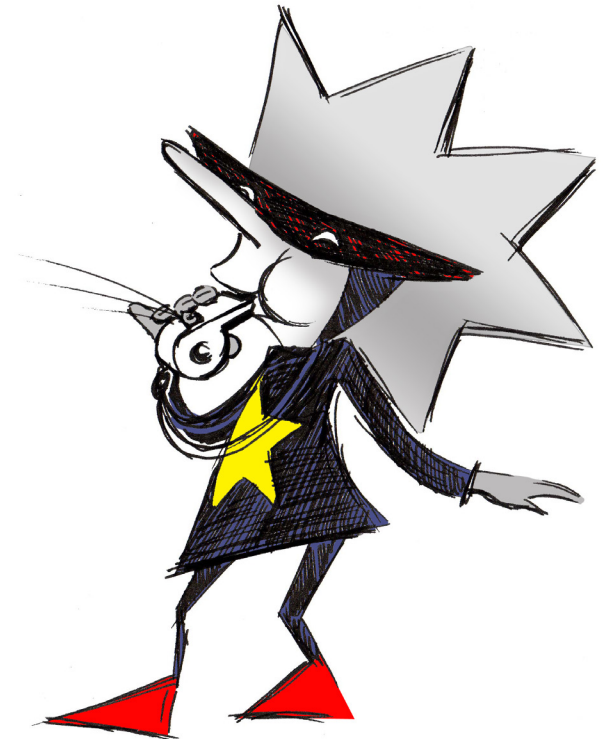

### **INTRODUCING THE SUPERPOWER OF BEING RESPONSIBLE**

During the latest Quazar Superpower video, students learned that being RESPONSIBLE means being in charge of something. This means that when they are "in charge" it is their job to take care of something, someone or a job they have to do. In the video, this someone was a puppy that the student was looking after for a friend. They acted RESPONSIBLE by caring for the puppy as though it was their own. Their friend was thankful and they did a great job giving the puppy everything it needed. That's the power of being RESPONSIBLE!

Students are encouraged to practice being RESPONSIBLE in their classrooms, at school and at home by taking ownership of the things they are in charge of. Looking after things and making sure tasks get done are great ways to practice their SUPERPOWER of being RESPONSIBLE .

Thanks again to our teachers who took the time to explain what being RESPONSIBLE means, and give examples of how to be more responsible. There were special activities and stories demonstrating responsibility in action, which helped immensely.

We'd also like to thank the parents who encourage their children after school to accept responsibility for their actions and for the tasks they have been assigned, and to be able to recognize other children for doing the same.

### ANNOUNCING: QUAZAR'S RESPECTFUL CHAMPIONS

Here's the official list of Quazar's Respectful Superpower champions; these students led the way and got the most nominations:

*INSERT NAMES/ROOM?/GRADE HERE*

These students are now part of the official Respectful Team who will plan the next All-Inclusive Recess....lots of games and activities where everyone plays; no one is left out.

Also, a SUPER DUPER thanks to those kids who did the nominating, and as Quazar says: KEEP UP THE GREAT WORK!!! Catchya later!!!!

### INTRODUCING THE SUPERPOWER OF BEING RESPONSIBLE

During the latest Quazar Superpower video clip, Perfect-World TV was covering the Responsibility Games on the planet Galactica and the games were tied with the Mercury Mustangs winning 2 events: Getting Work In On Time, and Being Dependable And Not Putting Things Off. The Milky Way Cools won 2 events too: Being On Time, and Knowing Where Your Stuff Is And Being Prepared.

Quazar was shocked when both teams made a BIG mistake and locked their coaches in the utility room. Neither team wanted to admit it because it might mean a call to their parents, or a detention, or loss of a privilege....there was a lot of sweaty nervousness until finally the Milky Way Cools had the courage to Admit Their Mistake, apologize to their coach and promise to never do that again. Well, that was the tie-breaker; they won the championship.

Thanks again to our teachers who took the time to explain what being RESPONSIBLE means, and give examples of how to be more responsible. There were special activities and stories demonstrating responsibility in action, which helped immensely.

We'd also like to thank the parents who encourage their children after school to accept responsibility for their actions, and to be able to recognize other children for doing the same.
