

## MONTHLY PA ANNOUNCEMENTS - RESPECTFUL

The following is an example you can use or you can make up your own. It's very important to do this at least once a month and it has the greatest impact if delivered by the Principal or Vice Principal.

### FOR VIDEO 1

"Just a reminder, boys and girls, that this month's featured attribute or superpower is... drum roll please,

**RESPECTFUL – R.E.S.P.E.C.T....** find out what it means to me!

As you may remember during this month's Quazar video, we learned that being **RESPECTFUL** means looking out for other people's thoughts and feelings. It means being polite, helpful and keeping your word, like the student playing soccer in the video. Their mistake was that they had forgotten they were going to play with their friend at recess, leaving the friend without anyone to play with. Keeping our word and looking out for our friends are two great ways to be **RESPECTFUL** in our school this month!

Please be responsible with your nominations, and follow the golden rules (do-be' sand don't-be's) which are listed on the poster in your classroom.

As Quazar says, good luck in your challenge and good luck being **RESPECTFUL!**"

### FOR VIDEO 2

"Just a reminder, boys and girls, that this month's featured attribute / or superpower is....drum roll please,

**RESPECTFUL – R.E.S.P.E.C.T....**find out what it means to me!

You may remember that during this month's Quazar video, admiral admirable sent Quazar to the planet Torontis because their gymballkey team couldn't agree on anything and didn't respect each other's differences and ways of playing the game, so they were always losing.

Quazar reminded them that by being **RESPECTFUL** of each others special abilities and differences, and by trying to see what's **good** about what other's are doing, they would do the same, and the team would do much better, maybe even win the championship.

So, remember to be **RESPECTFUL** others and their differences and watch for those around you who are doing it too.

Please be responsible with your nominations, and follow the golden rules (do-be's and don't-be's) which are listed on the poster in your classroom.

And as Quazar says, "it looks like my work here is done, Catchya later."
